PURPOSE

Our Service is committed in creating a supportive working environment for all employees and adhere to anti-discrimination practices for all children and families, free from bias. We recognise that family

responsibilities are of the utmost importance and having your child attend the Service where you work is time efficient and provides flexibility and convenience. However, having your child attend the Service may also present its own unique set of challenges and concerns for various stakeholders, including other parents and service staff. It is therefore paramount, that clear communication and collaboration with management and employees is maintained to ensure a positive and successful workplace for educators and their child/ren. In order to balance work and family commitments, we support the enrolment of our employees' children within our Service. This includes all family relationships including biological children, adopted and fostered children, stepchildren, nieces and/or nephews.

We aim to have clear and defined roles for staff and educators to ensure we are maintaining a fair and equitable service for all children, staff and employees.

SCOPE

This policy applies to children, families, staff, management, the approved provider, nominated supervisor, students and visitors of the Service.

IMPLEMENTATION

In order to support work and family responsibilities, management will accept employees enrolling their children at the Service under the following conditions.

THE APPROVED PROVIDER/MANAGEMENT/NOMINATED SUPERVISOR WILL ENSURE:

- a *family-friendly arrangement* is negotiated with the educator/parent to ensure compliance with our Code of Conduct and other service policies
- document the *family-friendly arrangement* to ensure the employee has a clear understanding of the provisions available within the Service and how this will be reviewed to ensure best practice
- a safe work environment is provided to the employee and child, free of bullying and discrimination
- the enrolment continues to allow the Service to meet operational requirements regarding age and ratios (for example, if a service is approved for 29 children, they will not exceed this licensing requirement. If a child is 2 years of age and the service is approved for 3-5-year-old's only, the child will not be enrolled at the service as this will constitute a breach of licensing)
- the educator/parent provides all required documentation for enrolment as per *Enrolment Policy*
- the Service promotes a family-friendly working environment
- all children are treated equally and fairly

- no special provisions are made for the child of an employee that would not be available to other enrolled children
- the educator/parent responds to their own child's behaviour and the behaviour of other children in a fair and consistent way
- that the educator and child are not placed in the same room/group (where possible)
- educators maintain their professionalism towards the educator and child
- the educator/parent does not become a distraction for the child or other children, as this can cause a lack of focus or behaviour problems
- the educator/parent is aware that there could be potential stress from conflicting demands between family, work and other responsibilities and to support the employee and child when possible
- at predetermined dates a review is conducted to assess the effectiveness and suitability of the child and parent being at the Service together
- management will discuss discounts for employees (including educators, coordinators and other employed staff) whose children are enrolled at the Service. The employee must still pay at least 5% of the gap fee.

EDUCATORS WILL:

- maintain their professional boundaries
- be open and honest when discussing the child's development with the educator/parent
- be respectful towards the educator and child
- collaborate and seek guidance from the parent as per normal circumstances
- treat the child equally and fairly
- ensure there is no bias shown to the child of an employee at the service
- adhere to all mandatory reporting requirements (child protection, reportable conduct scheme)
- raise any concerns with management
- ensure enrolment and attendance records are kept up to date
- provide enrolment information for their child/ren as required including signing Complying Written Agreement (CWA) for any discount in fees (if applicable).

CONTINUOUS IMPROVEMENT/REFLECTION

Our *Children in the Workplace Policy* will be updated and reviewed annually in consultation with families, staff, educators and management.
